## VERIFICATION OF COMPLETION OF DOCTORATE (to be completed by Dissertation Chair or Director of Clinical Training)

\_\_\_\_\_  
Applicant Name (print)

The Association of Postdoctoral Programs in Clinical Neuropsychology (APPCN) requires that an applicant complete all requirements for the doctorate in psychology before starting a postdoctoral training program. Your signature below verifies you fully expect the above named applicant to have completed all requirements for the doctorate before beginning postdoctoral training (*please note*: this does not mean that the doctoral degree will necessarily have been rewarded by the date below). We realize no one can predict the future with total accuracy but to the best of your knowledge and belief, the above mentioned applicant is on target to complete all doctoral requirements by \_\_\_\_\_(enter date).
